NO HASSLE

ABSOLUTELY MAINTENANCE FREE

Our plaques need zero maintenance. Any dirt or dust will be washed out easily by rain.

LASTS FOREVER

100% WORRY FREE LIFETIME WARRANTY

Unlike Granite, Bronze or any other materials, our markers last forever.

TRUE LIFE LIKE MEMORIALS

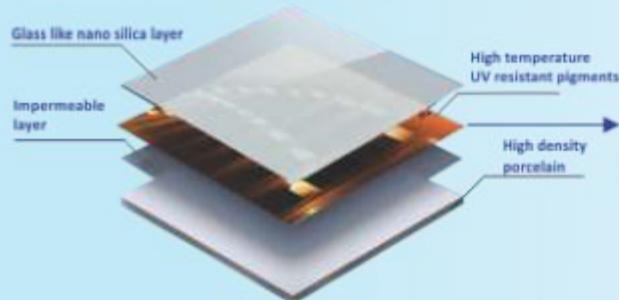

Infinite choices of colors, pictures, fonts, layouts and artwork. You are limited only by your imagination.

EASY & AFFORDABLE

Our markers are the best value for the money spent. We turn it around faster than a bronze or granite memorial.

Porcelain Vs Bronze Vs Granite

- Eternal Colors markers stand the test of time. Our markers will withstand the elements of nature. Unlike bronze or granite, our markers will look the same no matter what.
- Our plaques are fired at very high temperatures - 1600 degrees. The surface is smooth, non porous, glossy, scratch and UV resistant.
- Bronze memorials are uneven, porous and susceptible to natural oxidation. They need timely restoration because of oxidation and patina. Granite memorials need periodic cleaning of dust and dirt that are trapped in the deep cut inscriptions.
- Unlike the single colored Granite or Bronze headstones, our memorials look real and vibrant with life like colors and images.

With your soul at peace at rest,
